

Flight Instructor FI(A)

Pilot Flight Academy is one of the largest and most modern flight school in the Nordic region, located at Sandefjord Airport Torp. The school boasts a large international community approximately 200 students. Our goal is to train professional and skilled pilots who will be in demand by airlines. The company is experiencing positive growth and development, and we are currently looking for a new member to join our excellent team of employees.

Pilot Flight Academy is currently seeking qualified and experienced Flight Instructors with a desire to instruct for both MEP and IR to join our team at Sandefjord Lufthavn, Torp. As a Flight Instructor with us, you will play a crucial role in guiding and mentoring our students.

Position Overview:

We are looking for individuals with EASA FI(A) credentials and an extensive background in professional flight instruction. The ideal candidate should possess effective leadership and communication skills, fit in a team environment, and demonstrate self-drive, responsibility, and adherence to routines and procedures.

Benefits:

- Permanent position with a 5/4 roster program
- Competitive pay and attractive career progression
- Base at Sandefjord lufthavn, Torp
- 25 days of paid annual leave (in accordance with Norwegian law)
- Pension and insurance schemes
- Uniform provided.

Qualifications:

- EASA CPL(A) and valid FI(A)
- Valid EASA Class 1 Medical Certificate
- Have completed at least 500 hours flight time as a pilot on aeroplanes and preferably 30 hours as PIC on a MEP(land) aeroplane.
- Have completed at least 200 hours of flight time under IFR, of which up to 50 hours may be instrument ground time in an FFS, an FTD 2/3 or an FNPT II.
- Proficient in both oral and written English
- Legal right to live and work in Norway
- Clean criminal record

Personal Attributes:

- Positive attitude
- Effective communication and teamwork skills
- Leadership and coaching abilities
- Self-driven and organised
- Safety-conscious and responsible
- Ability to follow routines and procedures

Upon employment, selected candidates will need to undergo The Civil Aviation Authority of Norway's background check and obtain approval for a mandatory access card providing access to the airport's security clearance area. More information can be found <https://luffartstilsynet.no/en/>.

Applications with a short application letter and CV must be submitted to recruitment@pilot.no
